

# NVFS Training Futures /Northern Virginia Community College Co-enrollment Partnership

The Training Futures/NOVA Co-enrollment partnership provides a comprehensive job training and educational program that prepares participants for healthcare or general office administrative jobs and careers.

In one year the program takes an adult student who may be stuck at a 4<sup>th</sup> grade reading level with an \$8.50 per hour job to language proficiency, a college career studies certificate, and a job at an average wage between \$13.00 and \$15.00 per hour.

#### College Career Navigator (CCN)

- CCN provides services to facilitate Career and Education next steps
- Focus on “job first” with education plan
- Help students apply for federal student aid (FAFSA) and other scholarships
- Explore tuition reimbursement from employers
- Coordinate evening classes at TF

#### Training Futures (TF)

- 25 week program leading to TF Certificate
- 18 college credits
- NOVA Career Studies Certificate anticipated Spring 2013
- 110 participants per year

#### ESL Bridge

- Offered to pre-TF students who did not make high enough TABE score
- Preparation and pipeline for TF program
- Students enter at 4th to 6th grade reading level
- 52 participants over 2 years; evening classes
- 4-prong approach: comprehension, conversation, writing, and language

The Training Futures/NOVA Co-enrollment partnership provides a comprehensive job training and educational program that prepares participants for healthcare or general office administrative jobs and careers.

In one year the program takes an adult student who may be stuck at a 4<sup>th</sup> grade

reading level with an \$8.50 per hour job to language proficiency, a college career studies certificate, and a job at an average wage between \$13.00 and \$15.00 per hour.

## How it works:

- ◆ NOVA helps Training Futures identify points where its curriculum aligns with NOVA courses; syllabuses for these courses are submitted to NOVA for approval.
- ◆ NOVA recognizes qualified trainers as adjunct faculty.
- ◆ Low Income students receiving NOVA courses taught by NOVA faculty at TF become eligible for federal student aid.
- ◆ NOVA returns 85% of tuition to TF as payment for the instructors and use of the training facility.
